the miners of Knox county saythe miners of Knox county saythan out their homes, and put them of their homes, and put them of their homes, and put them of Rose could very their purse" of Rose could very their their homes. ave barned by looking at b litigation on either side or he could have found that out by asking the Lawyers on each side, or the court that tried it. The records show that Lay was not in it and had nothing to do with it. We say that when Rose's Democratic "wet nurse." gets so hard up for material to to publish against a decent citizen that he has to willfully misrepresent him in order to try to leceive the miners and laboring it is time to bring on

and they a. him with mud s.

cannot recognize m we predict for them a disn failure, the people who know Lay are forhim, and Knox county will Yours of recent date at hand give him the largest majority it, has ever given any man in a Re-publican Primary. We know Mr. Lay and are for him because he is a clean man, a good lawyer, a loyal Republican and one who will administer the high office of Circuit Judge so that the poor man and the common citizen will have the same even justice and protection as the Rich or Exalted. The records of this county as well as those of Bell and Harlan where Mr. bay has practiced law show without exception that when he was employed in any case where a miner or laboring man was on one side and a corporation on the other that Lay was on the side. of the laboring man. And all
